For over 60 years now the Quebec Picture Pioneers have been sponsoring students who wish to further their education within our industry. Still today, our committee must evaluate these financial demands. With the number of members diminishing each year, it becomes more difficult to answer to these financial needs. Therefore our golf tournament is truly our only event in which we can accumulate the necessary funds to continue to function as an organization and to continue to be the proud supporters of these scholarships.

Each year our golf tournament is a great success thanks to all the generous gifts that serve as raffles and door prizes. We would like to make this 57th golf tournament a memorable one and we once again count on your support and generosity.

We look forward to seeing you there!
